Ten 2018 IEC Memorial Scholarships available

Clinton County Electric has announced that the Illinois electric cooperatives in 2018 will award nine academic scholarships to high school seniors through a memorial scholarship fund designed to financially assist deserving students in the “electric cooperative family.” In addition, a tenth scholarship – to assist with costs in attending an electric lineworker school – will also be offered.

The total of ten scholarships of \$2,000 each will be awarded in 2018 through the Thomas H. Moore Illinois Electric Cooperatives (IEC) Memorial Scholarship Program.

Five scholarships will be awarded to high school seniors who are the sons or daughters of an Illinois electric cooperative member receiving service from the cooperative. A sixth scholarship, the Earl W. Struck Memorial

Scholarship, will be awarded to a student who is the son or daughter of an Illinois electric cooperative employee or director. Three additional scholarships are reserved for students enrolling full-time at a two-year Illinois community college who are the sons or daughters of Illinois electric cooperative members, employees or directors.

The tenth annual scholarship, the “LaVern and Nola McEntire Lineworker’s Scholarship,” is a \$2,000 scholarship that will help pay for costs to attend the lineworker’s school conducted by the Association of Illinois Electric Cooperatives in conjunction with Lincoln Land Community College, Springfield, Ill. Sons and daughters of co-op members,

relatives of co-op employees or directors, and individuals who have served or are serving in the armed forces or National Guard are all eligible to apply for the lineworker’s scholarship.

For more information regarding the scholarships, contact Carrie Trame at 618-526-7282 or trame@cceci.com. Information has also been shared with area high school guidance counselors and is also available for download at the cooperative’s website at www.cceci.com.

In observance of the following holidays, the cooperative office will be closed:

Thanksgiving Thursday, November 23 and Friday, November 24
Christmas Eve & Christmas Day..... Friday, December 22 & Monday, December 25
New Year’s Eve & New Year’s Day Friday, December 29 & Monday, January 1

Capital credit checks not cashed as of September 30, 2017

Most of this month's publication will be dedicated to communicating with those members, past and present, that have uncashed capital credit checks. We need your assistance in connecting with these members so we

can return their allocated/retired Patronage. A list of members with outstanding capital credit checks can be found below. Please contact us at P.O. Box 40, Breese, IL 62230, via email at cceci@cceci.com, or by phone 618-526-7282 with any

pertinent information regarding these members. If you move off our lines, please keep us informed of any address changes. If you are presently a member and your name appears on this list, contact us so we can reissue your check.

Clinton County Electric Cooperative sends crew to help with power restoration

Journeyman Linemen Craig Benhoff and Jason Deering from Clinton County Electric Cooperative, along with crews from numerous other Illinois electric cooperatives, were sent to Satilla EMC in Alma, Ga. to help restore power to members affected by Hurricane Irma. The CCECI crew left the county on Saturday, Sept. 16, 2017 and returned on Sunday, Sept. 24, 2017.

When the crews started the restoral process in Georgia, there were approximately 47,000 of

Satilla's 58,000 members without power. After a day and a half, that number was down to approximately 19,000 members without power.

Despite this incredible progress, as is often the case during restorations of this scale, the last several thousand meters are the most difficult to restore. The cooperatives deal first with rebuilding their main supply lines to restore power to the most members as quickly as possible, and then they work on the single-phase lines.

"The Georgia cooperatives

are overwhelmed with gratitude by the response of the Illinois cooperatives, and that from across the nation," said Jim Miles, AIEC manager of safety and loss control and coordinator of the Illinois emergency work plan. "Work, such as this, exhibits the cooperative principle of cooperation among cooperatives. We know that if we ever need it, the Georgia cooperatives will be happy to reciprocate."
